Student Statement Regarding Rehabilitation of FSA Loan(s)

I, ____________________________________________, was certified previously as Totally and Permanently Disabled and as a result had my prior Federal Student Aid Loan(s) discharged. For the purpose of obtaining Title IV funding, “Totally and Permanently Disabled” is defined as “the condition of an individual who is unable to work and earn money or attend school because of an injury or illness that is expected to continue indefinitely or result in death.”.

I hereby certify that my condition is now such that I am able to attend school and/or engage in substantial gainful activity. I understand that any new Federal Student Aid Loan(s) that I receive cannot be canceled in the future on the basis of any impairment present when the new loan is made, unless that impairment substantially deteriorates.

Signature of Student: ____________________________________________
Date: ____________________________________________________________________
